

To our WBS families (please complete both sides of this form):

We are excited to start our Wednesday night program again. The past year+ has been hard for everyone and we have missed these children. We want to make you aware of a few things that we will be implementing to help keep everyone as safe as possible and also remind you of our illness and discipline procedures.

We ask that the children not bring any valuables with them to ensure that they are not lost or stolen.

We will have the same discipline procedures as before. A disruptive student will be given one warning and then will be removed from the class. The parent will be notified if we have to remove the student from the class and if the student is removed a second time from the class they will not be allowed to come to WBS for 2 weeks. If a child is given a 3<sup>rd</sup> chance and is again removed from class, the child will not be able to return until the parents and our leaders come to an agreement and deem the time right.

Please, please do not send your child to class if they have any of the following symptoms: fever, runny nose, cough, or signs of illness. Please be considerate when your child has been exposed to a serious illness.

We will be taking their temperature before allowing them to ride the van/ attend class. If they have a temperature over 99 they will not be able to attend that week.

Covid 19 has been declared a worldwide pandemic. The delta variant has been found in Logan County, OK and is extremely contagious. Evidence has shown that covid 19 can cause serious and potentially life-threatening illness and even death, especially to unvaccinated individuals. The Poplar & Warner church of Christ cannot prevent you from being exposed to, contracting, or spreading covid 19 while attending Wednesday Bible School (WBS). By attending the WBS program you acknowledge that you have read this warning and voluntarily choose to accept the risks noted above in order to attend WBS including possible exposure to and/ or increasing your risk of contracting or spreading covid 19 and that the Poplar & Warner church of Christ cannot be held liable for any exposure to the covid 19 virus due to your attendance at WBS.

By attending our WBS program and riding church vehicles, you acknowledge and understand that participating may also involve known and unknown risks to your child(ren). We will do everything in our power to ensure a safe environment for every child. I, on behalf of my child, release Poplar & Warner church of Christ, any member, leader, minister, or volunteer from any and all liability for any injury to my child or loss that my child may suffer while attending the WBS program.
